

The Taphouse 6 Mission:

At Taphouse 6 , a “Hospitality Ahead” Tavern and Eatery, our mission is to far exceed customer service expectations while bringing you quality dishes and hand crafted cocktails, as well as some of the finest beers, wines, and spirits in the area at a fair value!

Taphouse 6 is locally owned and operated by the Auffarth Family, Hanover residents since 2003. Along with our 6 children, we wanted to bring a family friendly tavern and eatery to South Hanover, because it is here where we live, work, and play.

Our “Hospitality Ahead” approach allows us to offer equal pay as well as fair living wages to all of our employees as they all contribute to your overall dining experience. If for some reason we fail to live up to your expectations...feel free to blame it on one of our kids. I'm sure at least one of the 6 are here somewhere. We still however want to know about it, so we can make it right!

We are truly proud to be part of this community and are dedicated to supporting all things local!

Be safe and stay healthy
